

REMARKS

This amendment is a response to the Notice of Allowance dated November 5, 2004. In the Notice of Allowance, the Examiner has kindly added the priority claim to the present application. Applicants respectfully submit one additional priority claim to the parent Great Britain application No. 9602080.5, filed on February 2, 1996. Applicants hereby submit issue fee payment concurrently.

The above amendment of priority claim permissibly sets forth full continuity between the applications. Entry thereof is in order and patent issuance is respectfully requested.

Respectfully submitted,

Date: January 31st '05
